

Mission

The Oakland Bike Patrol consists of volunteers partnering with land managers and the Oakland Police Department to assist, educate, and inform trail users in order to enhance their recreational experience. As part of the National Mountain Bike Patrol program, OBP volunteers provide maps and directions, monitor and report adverse trail conditions, encourage responsible riding, and assist in medical and mechanical emergencies. Best of all, you get to ride your local trails, serve our community, and help keep the trails safe and enjoyable.

Requirements

- Be 18 years of age or older.
- Complete a 5 step background check with Oakland Police Department that includes:
 1. In person interview with Oakland Police Department
 2. OPD background check – includes application submission
 3. Life Scan – Finger Prints
 4. Photo ID
 5. Oakland City Parks rules training
- Complete First aid and CPR Training.
- Be familiar with local bike trails (training is available).
- Be a law abiding and safe rider. Trail courtesy towards all users is a must.
- Current BTCEB member. We also strongly encourage patrollers to join IMBA's National Mountain Bike Patrol program.

Duties

- Ride through designated parks and trails monitoring user activities.
- Provide information to park visitors concerning trail conditions, directions, general park information, and rules.
- Provide first aid, search and rescue functions as needed.
- Log your hours on the Bike Patrol database.
